special prize

Dobranotch has taken part in major international festivals, such as

Sziget (Hungary),

Fusion (Germany),

Ashkenaz (Canada),

Jewish Culture Festival Krakow (Poland),

Rudolstadt (Germany),

Andanças (Portugal)

and many others

Commencing their musical adventure on the streets of the French city of Nantes, for more than twenty years Dobranotch has been bringing the world the boundless energy of roots music: Jewish, Russian, Balkan, Roma. At the philharmonic they sound like refined artists, in a club or at a festival they send the audience into a dancing trance, and when they descend from the stage they're the orchestra for a magic carnival.

Stir the soul!

Dobranoch!
